Porter Preston is not responsible for discrepancies in information provided on this form in relationship to the finalized fabricated product. This includes Total Weight.

Line Item (Match to pg. 1)	<p>Column Spacing: Your mounting board will be built according to the measurements provided below. Your sketch does not have to be to scale, but the numbers must be accurate to the nearest 1/8". Draw vertical lines to show the columns of rings. Be sure to include every column, including those close to the edges of the board. The first two columns are sketched for you. Write the measurements to indicate the distance between each column of rings and the next. We will not make any additional deductions. An odd number of lift cords are needed because the center lift cord will be your pull/release</p> <p>CHECK THAT MEASUREMENTS ADD UP TO THE EXACT SHADE WIDTH . END LIFT CORDS MUST START AT 2 1/4" IN ON EACH SIDE</p>	Total # of Columns

Warranty

Porter Preston will repair or replace, at no charge, a lift system that fails due to faulty parts or poor workmanship when claim is made within 60 days of purchase. Orders for Expressly Yours lift systems are not cancelable or returnable for any reason except warranty repair as described. The buyer verifies that all sizes and specs are correct. The customer will be charged for repairs necessitated by error on their part.
