Glydea® ULTRA

Our best in class
just got better

Reliable, adaptable, robust and discreet; the premium solution for residential and commercial projects is now available.

As market leader, with over 160 million motors sold around the world, Somfy offers Glydea® ULTRA, the result of years of research in overall performance standards. It is the first ultra-quiet, ultra-powerful, ultra-adaptable motor for curtains.

QUIET

Glydea ULTRA is packed with innovations that provide an acoustic performance of less than 38 dBA...one of the quietest motorization solutions in the market. This exceptional achievement absorbs the noise and vibration within the motor and across the entire system. Experience quiet movement...and nothing else.

A must wherever silence, well-being and everyday comfort are important.
